FREE and easy to use Auditor[™] QC "instant reports" data reduction software or AUDIT[®]

AUDIT[®] Ship provides unrivaled, personalized standing order autoship service.

The advertisement features a white background with a logo on the left consisting of a network of black dots connected by lines. To the right of the logo, the text reads 'Linearity FD General Chemistry Beckman AU' in a bold, black font, followed by 'Now Available' in a purple font. Below this, the text '27 Analytes, 5 levels of human serum.' is written in a smaller, italicized black font. On the right side of the advertisement, there is a row of five small, brown glass vials with white caps and labels. Each label has a large blue letter (A, B, C, D, E) and the text 'CE' below it.
