

## TOFFELN

Welcome to Toffeln's increasing range of products for Healthcare and many other work environments. This is an exceptional range, including innovative designs that will help your efficiency and effectiveness, whilst continuing to provide the value for money for which Toffeln are so well-known.

At Toffeln, our customers are at the heart of everything we do. We'll always go that extra mile to keep you happy and to ensure you view every contact with us as a great experience. We continually strive to bring you top quality, innovative and enduring products that exceed your expectations – doing our bit to make your life a little easier.

### FOOTWEAR

This range of technically advanced footwear illustrates our considerable experience and understanding of the demands made not only on the feet, but also on the body – day in, day out. And our no-quibble price promise and quality guarantee helps lessen the demands on your budget, ensuring you get the best deal possible. With over 70,000 pairs of footwear available for immediate dispatch in our warehouse, we're sure you'll find just what you need. Place your order before 12 noon and you could be enjoying the Toffeln comfort experience as quickly as the following day.

**UltraLite®**  
Comfort and style without compromise
